April 2015 Volume 24 Supplement 2

Implementation and evaluation of the Australian tobacco plain packaging policy

Editors: G B Hastings and C Moodie

Special communication

- ii1 Death of a salesman *G B Hastings, C Moodie*
- ii3 Plain packaging: a logical progression for tobacco control in one of the world's 'darkest markets' *M Scollo, M Bayly, M Wakefield*
- ii9 Standardised packaging and new enlarged graphic health warnings for tobacco products in Australia—legislative requirements and implementation of the *Tobacco Plain Packaging Act 2011* and the *Competition and Consumer (Tobacco) Information Standard, 2011* *M Scollo, K Lindorff, K Coomber, M Bayly, M Wakefield*

Research papers

- ii17 Australian adult smokers' responses to plain packaging with larger graphic health warnings 1 year after implementation: results from a national cross-sectional tracking survey *M Wakefield, K Coomber, M Zacher, S Durkin, E Brennan, M Scollo*
- ii26 Short-term changes in quitting-related cognitions and behaviours after the implementation of plain packaging with larger health warnings: findings from a national cohort study with Australian adult smokers *S Durkin, E Brennan, K Coomber, M Zacher, M Scollo, M Wakefield*
- ii33 Are quitting-related cognitions and behaviours predicted by proximal responses to plain packaging with larger health warnings? Findings from a national cohort study with Australian adult smokers *E Brennan, S Durkin, K Coomber, M Zacher, M Scollo, M Wakefield*
- ii42 Has the introduction of plain packaging with larger graphic health warnings changed adolescents' perceptions of cigarette packs and brands? *V White, T Williams, M Wakefield*
- ii50 Do larger graphic health warnings on standardised cigarette packs increase adolescents' cognitive processing of consumer health information and beliefs about smoking-related harms? *V White, T Williams, A Faulkner, M Wakefield*

- ii58 "You're made to feel like a dirty filthy smoker when you're not, cigar smoking is another thing all together." Responses of Australian cigar and cigarillo smokers to plain packaging *C L Miller, K A Ettridge, M A Wakefield*
- ii66 Changes in use of types of tobacco products by pack sizes and price segments, prices paid and consumption following the introduction of plain packaging in Australia *M Scollo, M Zacher, K Coomber, M Bayly, M Wakefield*
- ii76 Use of illicit tobacco following introduction of standardised packaging of tobacco products in Australia: results from a national cross-sectional survey *M Scollo, M Zacher, K Coomber, M Wakefield*
- ii82 The advertised price of cigarette packs in retail outlets across Australia before and after the implementation of plain packaging: a repeated measures observational study *M Scollo, M Bayly, M Wakefield*

Brief reports

- ii90 Did the recommended retail price of tobacco products fall in Australia following the implementation of plain packaging? *M Scollo, M Bayly, M Wakefield*
- ii94 Personal pack display and active smoking at outdoor café strips: assessing the impact of plain packaging 1 year postimplementation *M Zacher, M Bayly, E Brennan, J Dono, C Miller, S Durkin, M Scollo, M Wakefield*

Research letter

- ii98 Did smokers shift from small mixed businesses to discount outlets following the introduction of plain packaging in Australia? A national cross-sectional survey *M Scollo, K Coomber, M Zacher, M Wakefield*

PostScript
