Poor	4	9%		4	9%	
Do you now smoke cigarettes...						
Every day	144	14%	0.286	124	11%	0.278
Some days	76	19%		57	17%	
Not at all	30	12%		24	8%	
Do you now use CLCCs^c...						
Every day	103	47%	<0.001	100	45%	<0.001
Some days	83	14%		63	10%	
Not at all	52	9%		37	6%	

Quit attempt in the last 12 months

Yes	145	18%	0.167	125	15%	0.356
No	50	12%		38	9%	

Planning to stop smoking within the next 30 days

Yes	124	23%	0.003	110	21%	0.002
No	70	11%		52	8%	

Note: Bold estimates are statistically significant ($p < 0.05$) different within column using Chi-square test.

^a Point estimates provided for respondents who answered yes to ever using JUUL; Chi-square tests were conducted to assess differences in demographic, health, and tobacco use behaviors between never JUUL users versus ever JUUL users

^b Point estimates provided for respondents who answered yes to ever using JUUL and reported use in the past 30 days; Chi-square tests were conducted to assess differences in demographic, health, and tobacco use behaviors between current JUUL users versus ever JUUL users only

^c Cigars, little cigars, and cigarillos.
