**Guidelines for Authors and  
Reviewers**

Full instructions are available online at <http://tobaccocontrol.bmj.com/pages/authors>. Articles must be submitted electronically <http://authors.bmj.com/submitting-your-paper>. Authors retain copyright but are required to grant *Tobacco Control* an exclusive licence to publish (<http://authors.bmj.com/submitting-your-paper/copyright-and-authors-rights/>).

**Disclaimer:** The Editor of *Tobacco Control* has been granted editorial freedom and *Tobacco Control* is published in accordance with editorial guidelines issued by the World Association of Medical Editors and the Committee on Publication Ethics. *Tobacco Control* is primarily intended for healthcare professionals and its content is for information only. The Journal is published without any guarantee as to its accuracy or completeness and any representations or warranties are expressly excluded to the fullest extent permitted by law. Readers are advised to independently verify any information on which they choose to rely. Acceptance of advertising by *Tobacco Control* does not imply endorsement. BMJ Publishing Group Limited shall not be liable for any loss, injury or damage howsoever arising from *Tobacco Control* (except for liability which cannot be legally excluded).

***Tobacco Control* aims to study the nature and consequences of tobacco use worldwide; tobacco's effects on population health, the economy, the environment and society; efforts to prevent and control the global tobacco epidemic through population level education and policy changes; the ethical dimensions of tobacco control policies; and the activities of the tobacco industry and its allies**
